

**AIRBORNE HERITAGE DAY
PICNIC SET**

The chapter's annual Airborne Heritage Day Picnic is set for Aug. 16, 2008. The site for this year's event will be the Biggs Army Airfield Picnic area. Shelters number 8, 9, 10 & 11 have been reserved for the event from 10 am until 7 pm. A wading pool is available for the children but parents must supervise the children as no life guards are on duty.

The military facility is being provided courtesy of LTC Quiett and 1SG Casiano of the Warrior Transition Battalion.

HALL RENTAL

The Chapter Hall continues to be available for private rental. With a current occupancy of 213 the Chapter Hall is available for meetings, parties or other gatherings. Chapter members and Veterans' organizations receive preferential consideration and a special rate. Information available from: Joe Hernandez at (915) 590-2914 or Rick Trevizo (915) 588--7498.

Information is also available by calling the chapter on Tuesdays and Thursdays at: (915) 562-9969.

**FUND RAISING PROJECT
UPDATE**

The recently proposed idea of selling bricks has now been modified to the sale of TILES. The high gloss, white tiles with engraved black lettering appears to be a better alternative to adding an attractive touch to the chapter. The commemorative tile sales is being looked into by a committee chaired by Bob Chisolm.

What we are asking for now, is suggestions on where to actually set the tiles for optimum exposure and beautification of the chapter.

Should the tiles be housed inside the chapter or should they be displayed outside? Should they be used to form a walkway or a memorial wall? Should they be behind the chain link fence or against the front wall of the chapter?

We need your suggestions! This appears to be the beginning of a worthwhile project that should provide us with the best return for our money with a very limited investment by the chapter.

So, put on your thinking caps and provide some suggestions on where we could lay or set, the tiles which will provide for maximum exposure and an attractive setting.

Make suggestions to Project Chairman, Bob Chisolm: (575) 874-1004 or E-mail: rchisolm01@elp.rr.com.
